

ETA

Consultancy Services LLP

Working with People with Mental Health Needs

Level 2 NCFE/CACHE

This qualification provides a broad range of knowledge and information for those who want to work in mental health, a care sector which presents one of the greatest challenges to our society, with an estimated 450 million sufferers worldwide.

Course Content

- Gain skills and understanding to improve the experiences of service users
- Understand the importance of duty of care in adult health and social care
- Understand the role of the mental health worker
- Learn the correct approach to care and management

Each unit contains activities and assessments designed to cover the specific learning outcomes.
