Functional Skills English

Entry Level 1, 2 & 3 NCFE

Functional Skills English qualifications are designed to enable learners to develop confidence and fluency in, and a positive attitude towards, English.

As a result of the qualification, learners should be able to demonstrate their competence in English by using it in real-world situations as well as demonstrating a sound grasp of basic English knowledge and skills.

They also aim to provide a foundation for progression into employment or further technical education and develop skills for everyday life. They are suitable for a wide range of individuals and are fundamental to the successful completion of various wider qualifications and frameworks, such as Foundation Learning.

Learners must obtain a grade of 'Pass' in each of the 3 mandatory assessment components:

- Speaking, Listening and Communicating
- Reading
- Writing

These courses are delivered fully online, with tutor support.
